

CAPABILITY STATEMENT

Community. Connection. Opportunity.

Melbourne metropolitan • Community charity • Partnership-ready

About Hawaya Hope Inc.

Hawaya Hope Inc. is a Melbourne community charity focused on social connection, inclusion, wellbeing and practical opportunity. We work across community programs, partnerships and suitable service opportunities to create positive local outcomes.

OUR MISSION

To strengthen social connection, inclusion and wellbeing by creating accessible community programs, practical support pathways and partnerships that respond to real local needs.

OUR VISION

A connected Melbourne where older people, people with disability, carers, families and multicultural communities have meaningful opportunities to participate, belong and thrive.

Core capability areas

- Commercial cleaning & facility support
- Community program delivery
- Multicultural & community engagement
- Community outreach & activation
- Project coordination
- Partnership & in-kind project delivery

Why organisations work with Hawaya Hope

- Community-led approach
- Melbourne-wide reach
- Flexible partnership models
- Community benefit at the centre

What we can contribute

Commercial cleaning & facility support

Flexible cleaning and facility-support proposals aligned to the scope, site requirements and contract conditions.

Community program delivery

Design and delivery support for social connection, wellbeing and community participation initiatives.

Multicultural & community engagement

Culturally responsive outreach and engagement with diverse communities across Melbourne.

Community outreach & activation

Community-facing activations, information sessions, events and engagement activities.

Project coordination

Partner coordination, community communication, participant engagement and practical delivery support.

Partnership & in-kind project delivery

Collaborative delivery models involving businesses, professionals, community organisations and in-kind contributions.
